RSVP

RSVP Volunteers (dba RSVP), originally incorporated as Retired and Senior Volunteer Program of Montgomery County, Inc., was founded in 1973 in the Commonwealth of Pennsylvania. It is a registered 501(c)(3) nonprofit corporation. Services include RSVP’s internally managed “Impact Programs” in areas such as literacy, mentoring, Medicare counseling, and management consulting for nonprofit agencies. RSVP also provides volunteers to over 200 nonprofit agencies in the Delaware Valley. Each year RSVP’s pool of 1,200 volunteers age 18 and older contribute more than 85,000 hours of service, enhancing the health and well-being of the community at large. In 48 years of service, RSVP has provided the community with hundreds of thousands of hours of volunteer time with an estimated value in the tens of millions of dollars.

RSVP Mission

RSVP improves the lives of vulnerable populations in our communities by focusing on education and wellness and by supporting nonprofits through skill-based volunteer programs.

RSVP Vision

To establish sustainable programs that provide access to social services, education, and lifesaving services through expansive volunteer efforts to vulnerable populations.

History

RSVP was established in 1973 as part of the Older Americans Act, placing senior volunteers in nonprofit agencies to enhance their well-being and that of the community at large. In 1979, RSVP of Montgomery County was incorporated, and in 1986 obtained 501(c) (3) status, creating its own programming in response to critical needs. These programs, using adult volunteers of all ages, provide direct service to 11,000 individuals each year, including disadvantaged pre-school students & their families; at-risk children & youth; low-income elderly; those with low literacy & STEM skills, seniors needing help with health insurance, & nonprofits needing capacity building assistance. Recent years have been ones of expansion for RSVP, now serving vulnerable populations in Montgomery, Chester, Philadelphia & Delaware Counties.

In March 2020, RSVP responded to a request from Montgomery County Human Services to coordinate all COVID-19 volunteer recruitment for the County. Concurrently we have expanded these efforts to include Chester, Philadelphia & Delaware counties, also in our footprint. Since that time, with our staff working remotely, RSVP has recruited hundreds of new volunteers, who, along with over 200 existing volunteers, were assigned to food banks, meal delivery programs, the medical reserve corps, mass food distribution events, & the virtual learning adaptation of our educational programs for disadvantaged children, families, youth & veterans. We also began a technology mentoring program to train isolated seniors in the use of technology enabling them to connect with family & friends, have access to telehealth appointments, order food and groceries online & participate in virtual volunteer opportunities. This digital equity program is now being expanded to provide technology training to vulnerable individuals of all ages.

A legal name change to RSVP Volunteers was made in 2021 to better reflect the evolution of the RSVP mission and its volunteer base.

Governance

RSVP is governed by a Board of Directors comprised of members of the community, including RSVP volunteers and other community representatives with in-depth knowledge of community needs. Board members support RSVP's mission through active participation in a variety of roles, including but not limited to promotion, advocacy, fundraising, governance, and program assessment. Visit our website for a current list of Board Members.

Funding

Approximately 33% of RSVP funding is from federal grants awarded to engage volunteers 55 and older in Montgomery, Delaware, and Chester counties. Additional funding is secured through generous foundations, corporations, and individuals. This funding supports the organization and engagement of all volunteers, age 18 years and older.

Program coordinators can clarify the time commitment required for specific assignments. It is important to be realistic when determining the time commitment you can make to your volunteer assignment.

To complete your volunteer assignment successfully you may be required to attend an orientation and undertake training, which may be online, in our office, in a classroom or 'on the job'.

You will need to complete a Volunteer Enrollment Form, which is available online. Alternatively, you can contact the Volunteer Coordinator to obtain a form via email or regular mail. If you return your completed form by mail or email and are not available to meet in person, the Volunteer Coordinator will schedule a phone call with you to discuss potential volunteer assignments.

RSVP staff need to see a government issued form of identification and we will provide you with a photo ID badge, which should be worn when you volunteer.

VOLUNTEER ASSIGNMENTS

You can choose assignments in RSVP Volunteer Impact Programs, which are managed in-house, and/or in our Community Volunteerism Program which are managed by one of our partner agencies.

(1) A Senior Corps volunteer does not receive any fee for service from service recipients, their legal guardian, or members of their family, or friends.

RSVP Volunteer Impact Programs

To address critical human needs in our local communities, RSVP has developed several Volunteer Impact Programs which focus on developing literacy skills for children and adults, mentoring at risk youth, tutoring children and veterans in math/science, assisting low-income seniors, counseling seniors regarding Medicare benefits, digital technology training, and providing consultancy services to small and mid-sized nonprofits. See appendix III. Volunteer Impact Programs are managed in-house by our program coordinators.

Community Volunteerism

The Community Volunteerism Program refers volunteers to partner agencies and their programs. They include nonprofit organizations, public agencies, secular or faith-based organizations and proprietary healthcare organizations. Volunteer assignments in the Community Volunteerism Program include Meals on Wheels, thrift stores, visiting veterans, VITA (tax preparation for low-income families), hospice support, food pantries & soup kitchens, crisis hot lines, blood drives and many more.

Criminal Background checks (clearances/certifications)

RSVP runs background checks on every volunteer that enrolls, these are NSOPW (national sex offender website) and a State Criminal background check. Programs working directly with children or seniors also require the PA Child Abuse and an FBI Fingerprint based background check, volunteers will be asked to take steps for these clearances. These checks will help ensure the safety of everyone and they must be renewed every five years; if you are still actively volunteering at renewal RSVP will run the necessary clearances as required by your program of interest. Effective January 1, 2015, Pennsylvania law requires additional self-certifications, or FBI fingerprint-based background checks for volunteers and employees working with children.

If you choose to volunteer in an RSVP Volunteer Impact Program, RSVP will handle the administration and pay the costs of clearances. Through our Community Volunteerism Program, we ask our partner agencies to specify which clearances are required and who is responsible for the costs, so this information can be shared with prospective volunteers. In some cases, volunteers may be asked to cover the costs of additional and relevant background checks when volunteering.

Volunteer Separation

You may choose to separate from your assignment at any time by notifying your site supervisor and Program Coordinator.

RSVP and/or the Partner Agency may separate a volunteer from the assignment for cause, including, but not limited to misconduct; unsatisfactory performance; breach of confidentiality; inappropriate behavior; disregard of policies and procedures; health unacceptable to the point of being a hazard to self and others; inability to perform assignment or accept supervision; suitable assignment not available.

Excluded Volunteer Assignments

In accordance with federal grant guidelines, RSVP volunteers are not permitted to accept compensation for their time or a stipend for their services. Also, they may not be assigned to do the following activities:

- Giving religious instruction, conducting worship services, or engaging in proselytization.
- Assisting with electoral activities, voter registration or transportation to polls or activities influencing legislation.
- Engaging in activities that displace paid workers.
- Licensed Insurance Agents and those listed on the LEIE, SAMS, Federal-OIG databases are ineligible to participate in the PA MEDI Program.

YOUR VOLUNTEER SERVICE HOURS (FAQs)

Why do I need to report my volunteer service hours?

Your time is valuable and the time you spend volunteering has special significance in several ways. Your volunteer service hours provide an indication of the impact you make in your local community. RSVP does not share information about your individual volunteer service hours, but it uses your service hours' record, along with others, to demonstrate the collective impact of volunteerism. For example, each year RSVP volunteers provide approximately 85,000 hours of service in and around the counties, which has a value of \$1,916,750 to their local communities (according to the Independent Sector).

RSVP receives funding from the federal government and grant making foundations, which requires reporting on volunteer service hours. Without accurate records of volunteer service hours, RSVP would not be eligible to receive such funding and our ability to support volunteers would be diminished.

How do I report my volunteer service hours?

Your volunteer service hours should be reported monthly by the 10th of the following month. Time spent in orientation and training can be recorded, however, travel time cannot be recorded unless it is an integral part of your assignment such as the Meals on Wheels program. The Volunteer Coordinator can provide further clarification on request.

You can choose to report your own service hours online at www.rsvpmc.org The Volunteer Coordinator will supply you with a username, password, instructions, and additional help, if necessary.

When you select an assignment in an RSVP Volunteer Impact Program and choose not to report your service hours online, you will need to provide this information to the staff member handling Hours Reports, through email at hours-programs@rsvpmc.org or you may leave a detailed voicemail at 610-834-1040 extension 155.

When you select an assignment in the Community Volunteerism Program and choose not to report your service hours online, you will need to ensure that the site supervisor has this information. Then s/he will report your service hours to the Community Volunteerism Coordinator.

What happens to the volunteer service hours that get reported?

RSVP has a secure database, and each volunteer has a record in this database. Your record contains your contact details, information provided on your enrollment form and a record of your volunteer service hours. Volunteer service hours' reports are compiled for the purposes of volunteer recognition, communication materials highlighting the impact of volunteerism, and for funding reports.

YOUR VOLUNTEER STATUS

Active

Volunteers must complete and report at least one hour of volunteer service every 12 months to have an active RSVP volunteer status. When you maintain an active status, you are eligible for RSVP volunteer benefits.

Inactive

If your circumstances change and you want to take a temporary leave of absence, please advise the Volunteer Coordinator and you will be placed on the 'inactive list'.

No longer available

If your circumstances change and you can no longer volunteer, please notify the Volunteer Coordinator and your RSVP volunteer record will be closed.

If there appears to be 12 months of continuous inactivity (no service hours have been recorded and we have not heard from you) we will contact, you for a status update. If you do not respond we will assume you are no longer available, and your volunteer record will be closed.

Returning volunteers

You are welcome to return to RSVP at any time. Contact the Volunteer Coordinator or Program Coordinator so that they can help you find a new volunteer assignment.

APPENDICES

Appendix A - Volunteer Insurance

VOLUNTEERS INSURANCE SERVICE (VIS) ® INSURANCE PROGRAM

It doesn't happen often, but when it does, the results can be serious...a volunteer is injured, or injures someone else, while performing his or her volunteer duties. One of the benefits of volunteering for this organization is that you are provided insurance protection in case these things happen to you. There are three kinds of coverage; check with your volunteer coordinator to see which coverage your organization has chosen to provide for you.

SUMMARY OF COVERAGES

I. Excess Accident Medical Coverage

This coverage is in excess of any other health insurance that you have in place. The excess accident medical coverage will pay up to \$50,000 for medical treatment, hospitalization and licensed nursing care required as the result of a covered accident. The insurance applies while you are traveling directly to and from, and while you are participating in, volunteer-related activities. **Initial medical expenses must be incurred within 60 days of the accident.**

Expenses are then covered for a one-year period following the accident.

Dental care is covered up to \$500 per tooth for accidental injury to teeth and repair of dentures. The maximum benefit for dental care is \$900 per accident.

This coverage also provides up to \$50 for repair or replacement of eyeglass frames and up to \$50 for repair or replacement of eyeglass prescription lenses damaged as a result of a covered accident.

The maximum benefit under the Excess Accident Medical coverage, including dental and eyeglass expenses, is \$50,000.

This insurance does not duplicate benefits payable under any other valid and collectible insurance coverage.

Accidental Death and Dismemberment Coverage - In addition to the accident medical coverage, the plan will pay benefits for death or loss of limb or sight, occurring within one year as a result of a covered accident. See coverage details at www.cimaworld.com.

Exclusions to Accident Insurance - A complete listing of the exclusions is detailed in the insurance policy. Please go to www.cimaworld.com for details.

II. Excess Volunteer Liability Insurance

All registered volunteers (collectively) of an organization are provided with excess volunteer liability insurance at a limit of \$1,000,000 per occurrence (subject to an annual aggregate for each named organization.) This policy provides protection if you are liable for bodily injury or property damage arising out of the performance of your duties during your volunteer assignment. **This coverage is in excess of and noncontributing with any other valid and collectible insurance you may have.**

Exclusions to Volunteer Liability Insurance - A complete listing of the exclusions is included in the insurance policy details, which are available at www.cimaworld.com.

2/18/25

III. Excess Automobile Liability Insurance

This coverage provides an extra layer of protection for you as a registered volunteer driver while performing your duties. This insurance applies only after your own insurance is exhausted, or the policy's retention has been exceeded. This coverage protects you from bodily injury or property damage claims arising out of the operation of your own vehicle, during your volunteer assignment.

The liability policy is written at a combined single limit (including both bodily injury and property damage) of \$500,000 each accident. This insurance is in excess of the lesser of:

- A. \$50,000 each accident
- B. an amount equal to the applicable limits of liability of any other collectible insurance; or
- C. an amount equal to the minimum limit of liability required under the motor vehicle financial responsibilities laws of the state in which the accident occurs.

It is important to remember that you must maintain your own auto liability coverage at least equal to the state-required minimums. Also, please remember that this coverage does not apply to any damage to your vehicle.

Exclusions to Excess Automobile Liability Insurance - A complete listing of the exclusions is in the policy details at www.cimaworld.com.

IV. Commonly asked questions

- ***My car was damaged in an accident while I was volunteering; will you cover my deductible for the repairs?***
No. The coverage is for liability claims only. There is no coverage for damage to your car.
- ***I have medical bills related to an accident while I was volunteering. Who do I send the bills to?***
The accident medical plan pays in excess of any other health insurance coverage you have. Send all of the bills to your current health insurance company. If not, everything is paid, follow the instructions below for filing a claim.
- ***I see that the policy provides excess protection if I cause bodily injury or property damage. What if there is an allegation of sexual misconduct or sexual abuse?***
The policy does not provide protection in the event of a criminal proceeding, but it may provide protection in the event of a civil proceeding. You would be entitled to a defense against an allegation of sexual abuse or sexual misconduct under the volunteer liability contract, and up to a total of \$1,000,000 in payments by the insurer for judgments, settlements and legal defense. **However, the policy would not defend or indemnify you if you admitted wrongdoing, or if the allegations against you proved true.**
- ***How do I file a claim?***
For any type of claim, you first need to see your volunteer coordinator. If you have an accident claim, you will need a "proof of loss" form (available at our Web site www.cimaworld.com.) Both you and the coordinator must complete the form and send it to CIMA. Keep a copy for your records. Submit your bills to any existing medical insurance plan first. Once you have their "Explanation of Benefits" form(s), send those to CIMA at the address shown on this brochure, along with a copy of your "proof of loss" form. For a claim against you alleging that you caused bodily injury or property damage while volunteering, contact your volunteer coordinator immediately. Provide as much detail as possible about the incident and obtain any police reports. Your coordinator will then pass this information to CIMA, along with a statement that you were volunteering at the time of the incident.

Appendix B - RSVP Policies

RSVP VOLUNTEER POLICIES AND PROCEDURES

RSVP aims to provide a safe, secure work environment for everyone, maintain high standards of conduct and ethics, and operate efficiently. Therefore, volunteers and staff must follow organizational policies and procedures while in the workplace. The workplace includes RSVP's offices and all sites used for program activities and work-related operations.

Safety in the Workplace

Everyone is responsible for maintaining a safe work environment. Any concerns about safety in the workplace should be reported to your supervisor immediately for investigation, evaluation, and remediation, if necessary.

Report to RSVP Staff any accidents or bodily injury that occurs while volunteering. Contact RSVP at (610) 834-1040, ext. 114. If volunteering at an RSVP partner agency, report the incident to your agency supervisor. The date, time, location, and any witnesses should be reported. If you cannot report this immediately, please record the relevant facts as soon as possible for accuracy and please describe the incident in as much detail as possible.

Senior Abuse Reporting

Volunteers helping seniors must report any firsthand observations that could be interpreted as Elder Abuse to RSVP Staff. Contact RSVP at (610) 834-1040, ext. 114. The abuse could be physical, financial, exploitation, fraud, or something else of concern. As well as reporting to RSVP, report your concerns to the partner agency contact that you are working with. Include details regarding your client's situation when reporting the incident, please record as many facts and observations as you can. Call the police or 9-1-1 immediately if someone you know is in immediate, life-threatening danger. If the danger is not immediate, but you suspect that abuse has occurred or is occurring, please report it.

Child Abuse Reporting

PA Law requires everyone to report suspicions of child abuse and neglect to protect children. If you volunteer with children on a regular basis, you must complete the PA Child Abuse Clearance procedure. Once completed you are considered a 'mandatory reporter' and your RSVP program coordinator will provide you with a copy of the 'RSVP Policy and Procedures on Child Abuse'.

Confidentiality

RSVP considers certain information to be confidential and/or proprietary. This includes but is not limited to the following: volunteer and employee personal records; public relations and marketing materials; research; social media and marketing strategies and plans; partner agency information. Confidential information must not be communicated without authorization from your supervisor. Confidentiality requirements vary according to your volunteer assignment. For example, PA MEDI staff and volunteers must comply with HIPPA regulations. *If you are not sure if the information you are handling is confidential, consult your supervisor. Volunteers and staff must take all steps necessary to safeguard the confidentiality of all RSVP and beneficiary related information and to prevent personal information of beneficiaries from falling into the possession of unauthorized persons. If a volunteer is working off site, including working from home or a designated remote location, all personal information obtained from beneficiaries for the purpose of counseling must be protected. All personal information must be in a secure location until it is either returned to the beneficiary or properly destroyed or stored by the RSVP that the volunteer is affiliated with.*

Non-Discrimination

Our policy is to provide equal opportunity for all. We do not discriminate in any aspect of employment or volunteer service because of race, color, sex, national origin, religion, age, mental or physical disability (including HIV/AIDS), sexual orientation, sexual identity or expression, ancestry, political affiliation, marital or parental status, military service, or any other improper criterion. It is the policy of RSVP Volunteers to comply with Sections 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), as amended by the ADA Amendments Act of 2008, and the other applicable federal and state regulations that prohibit discrimination based on disability. The

Rehabilitation Act and the ADA require that no qualified person shall solely, by reason of disability, be denied access to, participation in, or the benefits of, any program or activity operated by RSVP Volunteers. Each qualified person shall receive the reasonable accommodation needed to ensure equal access to employment, educational opportunities, programs, and activities in the most integrated setting feasible.

Conflicting Duality of Interests

While volunteering in a service orientated organization like RSVP you may be exposed to nonprofit groups as well as individuals. RSVP does not charge for any of its services and is prevented from doing so by our federal funders. You as a volunteer are not permitted to provide personal paid services to any client of RSVP that you have engaged with. This includes any client past or present where you or a family member would receive any material or financial benefit. You as a volunteer are obligated to disclose any duality of interests that could be perceived as a conflict of interest, if there is any question pertaining to any conflict issues, please ask your program manager to investigate and clarify the issue for you.

Harassment

Harassment, including but not limited to sexual harassment, is defined as unwelcome or unwanted conduct; requests for sexual favors; and verbal, nonverbal, or physical conduct of a nature that adversely affects the employee's employment terms or conditions or creates an intimidating, hostile, or offensive work environment. RSVP is committed to maintaining a work environment that is free of harassment of any kind, including sexual harassment. RSVP policy prohibits employees and volunteers from discriminating against or harassing their colleagues based on sex, sexual orientation, religion, mental or physical disability (including HIV/AIDS), age, race, marital or parental status, creed, color, or national origin. *RSVP treats all complaints of harassment seriously, whether they are made informally or formally. Action is taken on all complaints to ensure that they are resolved quickly, confidentially, and fairly. Corrective action will be taken with anyone who has harassed a person or group of people. All RSVP supervisors have a responsibility to stop harassment. Everything is done to stop it as soon as it is detected regardless of whether a complaint has been made. Appropriate corrective action and disciplinary measures are taken where harassment has occurred. Volunteers report to their staff supervisor immediately if they are made to feel uncomfortable on the job through any behaviors or comments of beneficiaries, staff, or other volunteers.*

Grievance Procedure and Appeals Process

Whenever several people work/volunteer together, personal problems or differences will occasionally arise. Normally, these concerns can be resolved informally. The first step toward a solution of a problem is a frank and early discussion with your immediate supervisor. You or your supervisor may also call upon the Executive Director for counsel and assistance. In exceptional cases, a need may arise for a more formal approach to the problem. In such a case, you may file a written grievance with your immediate supervisor and copy the Executive Director. If the grievance involves your immediate supervisor, you may file the grievance directly with the Executive Director. The Executive Director or his/her designee will investigate the grievance. The Executive Director will inform you of the resolution, both verbally and in writing, as promptly as possible, unless exceptional circumstances delay the consideration or investigation of the grievance. If you disagree with the outcome of the investigation the volunteer can appeal to the Board of Directors by emailing the President of the Board. The Board will determine the method it will use to resolve the grievance and will make every effort to do so in a timely manner.

No volunteer will suffer recrimination for using, cooperating with, or benefiting from these procedures.

Personal Appearance

Visitors come to our office throughout the year. Accordingly, it is important to maintain a business-like appearance, avoiding extremes in attire in the office and while serving our clients in the community. The key guideline: Dress in a manner that reflects well on our organization.

Certain clothes are prohibited during work hours. Such items include, but are not limited to, halters, bathing attire, beach wear, short-shorts and exceptionally revealing clothes.

Organizational Resources

Organizational resources must be utilized in an appropriate manner. The misuse of resources, including financial impropriety, may be a cause for separation. If you suspect someone of misuse of resources or financial impropriety, you should report the matter to your Program Coordinator or the Director of Operations.

Phone Use

Excessive cell phone use can be disruptive to your assignment and the work of your colleagues. Ideally cell phones should be set to mute to avoid interruption, however, it may be acceptable for ringtones to be at a very low level of volume. Texting and phone calls of a personal nature should be kept to a minimum and they should be kept short. If you need to take time on a personal matter, you should move into a private area or step out of the office.

Office phones may not be used for personal matters unless approved by your supervisor. International calls are not permitted.

Electronic Communications

The following policy has been abbreviated for the purposes of this document's brevity. If you would like to see the policy in its entirety, please ask for a full copy of the 'RSVP Computer, Email & Internet Usage Policy'. The integrity of RSVP's computer systems shall be maintained by the protection of accounts through use of passwords. Any violation of the integrity of an RSVP computer system shall be deemed to be a prohibited misappropriation of agency property. Attempts to perform any of the following acts are among such prohibited actions:

1. Make an account available to any person not authorized access by RSVP;
2. Defeat the security system of any computer;
3. Circumvent the accounting system;

Ownership of RSVP Materials

All information that you write, develop, receive, or compile, including but not limited to publications, articles, speeches, reports, manuals, grants, etc., during the performance of your duties at RSVP automatically becomes RSVP property, whether or not written, developed, or compiled in your home or in our offices, and whether done during business hours or during other time.

RSVP Representation

All RSVP volunteers are encouraged to be advocates for RSVP and its programs. However, you cannot present yourself as an RSVP representative or spokesperson, unless authorized to do so.

Conflict of Interest

A conflict may exist where an interested party, or a relative or business associate of an interested party, directly or indirectly benefits or profits because of a decision made or transaction entered by RSVP. There should be no conflicts of interest during your volunteer assignment and if you need clarification on this matter, please contact your program coordinator or the RSVP Director of Operations.

Whistle Blowing

To maintain the highest standards of conduct and ethics, RSVP will investigate any suspected fraudulent or dishonest use or misuse of RSVP's resources or property by staff, board members, consultants or volunteers. Everyone is encouraged to report suspected fraudulent or dishonest conduct (i.e. to act as a 'whistleblower') to their supervisor or Executive Director. All relevant matters will be investigated and reviewed in a sensitive confidential manner before appropriate action is taken. RSVP will use its best efforts to protect whistleblowers against retaliation. The complete Whistle Blower policy can be obtained from the Director of Operations.

Smoking

To protect the health and safety of all employees, smoking is prohibited within the confines of the office building or other office space used for RSVP business. Smoking is permitted only in those designated areas authorized by RSVP's landlord.

Drugs and Alcohol

The following policy has been abbreviated for the purposes of this document's brevity. If you would like to see the policy in its entirety, please ask for a full copy of the 'DRUG AND ALCOHOL-FREE WORKPLACE' excerpts below were
2/18/25

taken from the RSVP Employee Handbook. To comply with the requirements of the Drug-Free Workplace Act of 1988, RSVP instituted this Drug-Free and Alcohol-Free Workplace Policy. RSVP's purpose is to ensure a safe, healthy, and productive work environment for all employees and volunteers. In addition to being concerned about your well-being, there is equal concern that RSVP's reputation and image is not compromised in any way. RSVP's policy concerning drug and alcohol use and abuse is as follows: You must report to your volunteer assignment in a fit condition to perform your duties. Being under the influence of drugs or alcohol is not acceptable. If you are taking physician-prescribed medication, you must notify your supervisor if there is likelihood that such medication could affect your job performance and safety.

Workplace Violence

RSVP has a policy of zero tolerance for violence. If you threaten or engage in any violence in the workplace this may be cause for separation. No talk of violence or jokes about violence will be tolerated. 'Violence' includes physically harming another, shoving, pushing, harassing, intimidating, coercing, brandishing weapons and threatening or talking of engaging in those activities.

RSVP specifically prohibits the possession of weapons on company property. This ban includes keeping or transporting a weapon in a vehicle in a parking area, whether public or private. Weapons include guns, knives, explosives, and other items with the potential to inflict harm. It is everyone's business to prevent violence in the workplace and you can help by reporting what you see in the workplace if you suspect violence.

Immediate Dismissal

*Some behaviors are so unacceptable that they are simply not tolerated at RSVP. Such behaviors trigger immediate dismissal of volunteers from all RSVP volunteer service. When there is sufficient information to indicate that unacceptable behavior has taken place, the volunteer is immediately relieved of his or her duties. Some behaviors are so unacceptable that they are simply not tolerated at RSVP. Such behaviors trigger immediate dismissal of volunteers from all RSVP volunteer service. When there is sufficient information to indicate that unacceptable behavior has taken place, the volunteer is immediately relieved of his or her duties. If there are some questions about unacceptable behavior, the volunteer is immediately suspended from her or his volunteer role(s) until an investigation is complete. The suspension is treated as a temporary dismissal, wherein the volunteer gathers his or her belongings, returns the RSVP identification, issued equipment or materials. In the case of a suspension pending investigation, when the investigation is complete RSVP determines whether the volunteer will be reinstated, and if so, with what provisions, or dismissed. If the volunteer wishes to question the resulting action, consult the **Grievance Procedure and Appeals Process** above.*

Rationale: Some performance or behavioral transgressions constitute an immediate threat to the well-being of RSVP or its beneficiaries. These transgressions warrant an immediate response, which could be the immediate termination of the volunteer. This is an unusual occurrence, but it is essential to plan for it.

Appendix E - Background Check Policy

RSVP Volunteers

STAFF & VOLUNTEER CRIMINAL BACKGROUND CHECK POLICY

A. Purpose

To provide guidelines for conducting mandatory criminal background checks for all prospective staff employees being considered for employment with RSVP and for all prospective volunteers being considered for volunteer opportunities in one of our RSVP impact programs and its partnering agencies in addition to certain existing employees and volunteer requirements.

“This policy is intended to be used as a guide for RSVP staff. Any and all decisions concerning the subject hereof shall be at the discretion of the Executive Director and Board of Directors.”

B. General Policy

1. Scope

a. Volunteers

- (1) All prospective volunteers who are assigned to an RSVP Volunteer Impact Program working with vulnerable populations such as children, the elderly, and persons with disabilities are required by the Commonwealth of Pa. to obtain a background check.

b. Employees/Staff

- (1) Staff background checks include three required components: nationwide NSOPW name-based check, state criminal history name-based check, and FBI fingerprint-based check.

- (2) Federal and state law requires RSVP to maintain certain employee records on file for specific lengths of time.
- (3) These records are confidentially maintained in the individual's official personnel file by the RSVP Executive Director or an assigned designee.
- (4) RSVP validates personal identification using a government issued photo ID and must obtain an approved and satisfactory background check for all employees no later than the day before the person begins to work on an AmeriCorps funded grant.
- (5) Since RSVP is partially federally funded background checks are mandated by the Corporation for National and Community Service (CNCS) and the federal government as required by the Office of Management and Budget (OMB).
- (6) All staff background checks are conducted through an AmeriCorps approved vendor.
- (7) If an employee has a break in employment (with termination) of more than 180 days all required background checks are must to be completed again.

2. Background Checks

- a. All background checks for qualified prospective employees and for qualified prospective RSVP Impact Program volunteers are paid for by RSVP.
- b. In certain instances, RSVP's partnering agencies may specify additional background clearances they require, and in some cases associated costs may be shared with prospective volunteers.
- c. Volunteer administrative background assistance is provided by RSVP's Volunteer and Compliance Coordinators.
- d. No employment and/or volunteer opportunities with RSVP may commence until all background search results have been satisfactorily cleared and a Background Check Policy and Acknowledgement Form has been signed by the prospective employee or volunteer.
- e. If the prospective employee or volunteer declines to consent to these background checks, the individual may not be considered for employment or a volunteer opportunity with RSVP.
- f. The individual can review their background checks and records upon request to the RSVP Executive Director or an assigned designee.
- g. RSVP has the right to decline a prospective employee or volunteer if any of the identified background checks below have not been properly or satisfactorily cleared.
- h. If the individual has been declined by RSVP because of an unsatisfactory background check that individual can appeal the decision and discuss the issue with RSVP's Executive Director or assigned designee.
- i. RSVP's State Background Checks may include the following:

(1) National Sex Offender Public Website (NSOPW website)

- This site checks all US states, protectorates, and Native American Reservations for registered sex offenders.
- RSVP's staff individual completing the background checks is required to print their name and sign the NSOPW clearance results attesting that the Identification check and clearances were performed to comply with CNCS requirements.

(2) Pennsylvania State Police Criminal History Check (PATCH website for volunteers and Approved AmeriCorps vendor for staff)

- This site checks the State of Pennsylvania (state of service) for criminal convictions.

(3) PA. Dept. of Public Welfare Child Abuse

- Programs involving working with children and/or seniors require that this background check must be renewed every (5) five years.

(4) FBI Fingerprint Based Background Check (AmeriCorps approved vendor is used for all staff FBI checks)

- This is a nationwide background check using the applicant’s fingerprints and supplied biographical information to search for any previous convictions.
- Programs involving working with children and/or seniors require that this background check must be renewed every (5) five years.

(5) State of residence background check (if state of residence is different from the state of service)

- This site checks the applicant’s state of residence for criminal convictions.

(6) Adjudication of findings:

- All Staff hiring checks are completed through Fieldprint for fingerprinting, Truescreen for criminal checks, and NSOPW for background checks.
- The Staff member assigned to these duties MUST go online to review and adjudicate the findings prior to the applicant’s start of actual employment.
- Any staff member with these responsibilities must have a valid AmeriCorps National Service Criminal certificate of completion.

3. Criminal Background Check Policy Matrix

- If a prospective or existing employee or volunteer has a background check resulting in a criminal or questionable background, *Criminal Background Check Policy Matrix* provides policy guidelines for specific crimes. (These are guidelines, any unusual or multiple offenses should be brought to the attention of the Executive Director for review.)
 - This policy is to be used as a guideline for the RSVP ED and staff and any determinations that they conclude are at their absolute discretion.
 - The PA Crime Classifications were established by the PA State Police.
 - Appendix I categorizes crimes based upon severity, felony vs. misdemeanor crimes, violent vs. non-violent crimes and it identifies the length of penalty from application date.
 - In crimes where appropriate it also identifies the look-back period or the crime review period from the date of application.
- f. Appropriate actions can be taken by RSVP for prospective and existing employees and volunteers if deemed applicable.
